

Studio Range Catalogue

Stylish kitchen design at a great value price

KINSMAN

The Studio Range allows you to achieve the designer look at a great value price. The kitchen cabinetry is delivered fully assembled and boasts a value pricepoint, saving you time and money. It offers a stylish kitchen design solution and ensures you achieve a high-end look without the price tag.

There are a range of cabinets to fit your kitchen, laundry or home office space, as well as a collection of handles and accessories to choose from. To complete your space, there are also a variety of laminate, Caesarstone® and Dekton® benchtops for you to choose from.

DOOR RANGE

Six popular door colours and finishes to choose from.

Somersby White Matt

Artarmon Black Ultramatt

Fresh White Satin

Oyster Grey Matt

Oak Woodgrain Woodmatt

Super Value White Texture

Satin finish: Smooth finish with a slight sheen on high moisture resistant HMR particleboard.

Matt finish: Fine textured matt surface on moisture resistant MDF board.

Woodmatt finish: Subtle woodgrain embossing with an overall matte surface on moisture resistant MR MDF Board.

Texture finish: A medium textured surface finished with an all over stipple.

LAMINATE BENCHTOP

Laminate benchtops are available in a wide variety of stylish colours making them a practical and economical solution. With easy to clean surfaces and high durability, laminate benchtops are a popular benchtop solution.

Alpine White Quadra

Chalk Ceramic Streamline

Anthracite Ceramic Streamline

Pale Lancelot Oak Streamline

PREMIUM LAMINATE BENCHTOPS

Our premium laminate benchtops are nothing short of stunning. The range includes two authentic timber-look benchtops, as well as a unique matte black benchtop.

Noir Black Matt Nano Streamline

Natural Halifax Oak Streamline

Tabacco Halifax Oak Streamline

MINERAL BENCHTOPS

Caesarstone® Mineral™ Surfaces. Premium, sustainable, crystalline silica free surfaces. While prioritising sustainability, the unique formulation of these surfaces utilises natural, innovative and recycled materials to drive the evolution of engineered stone and create the next generation of surfaces. It is highly resistant to scratches and stains and has a bacteriostatic quality, making it a beautiful and hygienic option for your kitchen.

Benefits & Advantages.

- Highly scratch, stain and heat resistant
- Easy Care and Maintenance
- Design flexibility
- Available in range of thicknesses with modern edges
- Easy to install

DEKTON® BENCHTOPS

Dekton® by Cosentino is a carbon neutral, ultracompact porcelain surface with an optimised manufacturing process inspired by the beauty and aesthetics of natural stone, that goes beyond nature, achieving the highest product performance, being Abrasion resistant, scratch and impact resistant and water and stain resistant.

Benefits & Advantages.

- Abrasion resistant
- Scratch and impact resistant
- Water and stain resistant
- Many sizes, thickness, colours and textures

HANDLES

They may seem like a small detail but the right handles will complete the look of your space. From sleek, contemporary lines to statement pieces, your design expert can help you find the perfect handles to finish off your space. For minimalists, we also offer a touch-catch handle-free look. Speak to your designer for more options.
